Action for Children's Future 2025 —For Elementary School Students—

TOKYO METROPOLITAN GOVERNMENT

Tokyo Metropolitan Government will create the society filled with children's smiles.

- Children can grow up healthily and in their own way.
- People in the whole society value children.
- People can raise children with confidence.

We will value the views of children as main characters.

- We listen to children's views at their familiar places.
- We listen to children's views through questionnaires.
- The staff members of the Tokyo Metropolitan Government will visit elementary schools to provide lectures on various themes.

Let's learn about the Tokyo Metropolitan Government Basic Ordinance on Children

※An ordinance is a set of promises by a local government.

Children are members of society. Children have a number of rights. The Tokyo Metropolitan Government Basic Ordinance on Children was created to ensure that all of you can live happily.

- Children are irreplaceable beings and main characters of rights.
- Children's happiness should be prioritized.
- Children's views should be respected.

We create opportunities to learn the Ordinance and exchange views.

Children's Symposium

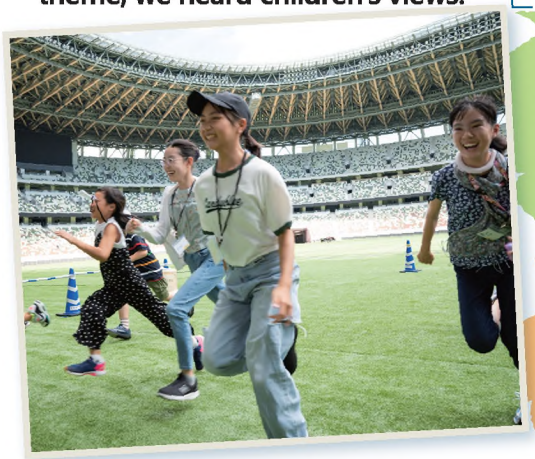
All the children who participated in the symposium exchanged views on "Child-Friendly City".

We will surely accept children's views and thoughts.

Effort 1 Children's Workshop

By setting Tokyo Metropolitan Government's initiatives as the theme, we heard children's views.

World Athletics Championships Tokyo 25



By having people actually experience athletic sports and recognize their fun, such experience will lead to increasing the number of people who have an interest in such sports and making them popular.

I would like to express my feelings to support the athletes that appear on the stage of athletic games.

- Creating opportunities to experience athletic sports.
- Delivering messages from children to athletes.

Effort 2 Visit lecture

Persons who work for Tokyo Metropolitan Government Office visited elementary schools to provide visit lecture of a theme "What children hope Tokyo Metropolitan Government in order to live in 'the present' and 'the future' full of smiles.

I hope Tokyo Metropolitan Government to support both people from other countries and Japanese under any circumstances.

We need parks where everyone can enjoy playing.

State of classes (Seishin-Futaba elementary school in Edogawa Ward)

- We will create the places where everyone can play in an easy and free way.
- We will create the places where people can interact with friends through learning of Japanese and consultation of trouble, and play.

We will realize Tokyo full of children's smiles.

We will support children by giving consideration to their feelings.

- Children can take counsel easily in various methods.
- There are persons or places that children can rely on when they are in trouble.

We will provide support for rearing children.

- Children can easily use after-school day care center.
- Children can learn with peace of mind without worrying about money.

We will support children's learning.

- Children can have more opportunities to interact with students in overseas schools.
- Children can learn state-of-the-art digital technologies.

We will provide support for children's smiles across society.

- We will lift the spirits "toward the society where children are valued".

We will make every effort to support children's "desire to know".
